High quality asphaltting

We guarantee safe, sustainable and innovative asphalt of the highest quality and provide comprehensive infrastructure solutions that are perfectly adapted to the needs of end users, clients and maintenance service providers.

Sealoflex Polymer Modified Bitumen

Make your asphalt last twice as long with Sealoflex® polymer-modified bitumen and save substantially on maintenance and repair costs.

On-site production of Sealoflex®

Static and mobile units for the on-site production of Sealoflex® polymer-modified bitumen, which can easily be transported thanks to the use of standard-size containers.

Asphalt reinforcement

Asphalt reinforcement gives new roads a longer life and prevents the asphalt from tearing or splitting.

Coloured asphalt

Coloured asphalt: the perfect way to 'stand out from the pack'.
